Duncan Yeardley

From a team of just two, the company has grown significantly in recent years to boast a superb team of local property experts. And, we're not stopping there. In 2021 we expanded and now have an office in Ascot to help even more people with their home moves. We can strongly say our foundation for being local experts is solid. We're local residents who play an active part in the community and our children go to local schools. And we all love working at Duncan Yeardley! Several long-standing team members have been part of our story for many years and we always encourage progression, development and training so our people are the best they can be.

With our great culture and work ethic, we always put our customers at the heart of what we do. We're lucky to have people who are genuinely passionate about property, and we're often complimented for going the extra mile. We hope to do that for you too!
