NO ONWARD CHAIN

Welcome to Belle View Drive, a desirable address in the heart of Castleside — and the setting for this unique and deceptively spacious split-level detached bungalow. Enjoying a generous corner plot with wraparound gardens, off-street parking, and an attached garage, this charming home is offered with no onward chain and is ready for its next chapter.

Step inside to find a bright and airy layout that offers both flexibility and functionality. There are two comfortable double bedrooms, with a third versatile room that can be used as an additional double bedroom, a formal dining space, or even a home office — whatever best suits your lifestyle.

The elevated position of the bungalow provides stunning views across the surrounding countryside, and its thoughtful design ensures you can enjoy them from various vantage points throughout the home. The living space is well proportioned, and there's also a separate utility area, helping keep day-to-day chores out of sight.

The real showstopper here is the outdoor space — being a corner plot, the wraparound garden offers a fantastic level of privacy and room to enjoy the sun throughout the day. Whether you're looking to entertain, relax, or get stuck into gardening, there's plenty of space to make it your own.

The driveway offers ample off-street parking, while the integral garage provides additional storage or scope for further development, subject to planning.

Located just a short walk from local amenities and bus links, this property is ideally placed for those who want a quiet village setting without feeling cut off. You're well connected to Consett and surrounding areas, while enjoying the peace and space that Castleside has to offer.

Freehold and available with no onward chain, this home offers a rare opportunity to secure a spacious detached bungalow in a sought-after location with views that truly need to be seen to be appreciated.
