4 Bedroom House

Intercounty

Beautifully presented and contemporary in design, this impressive four-bedroom detached residence has been significantly enhanced and reconfigured by the current owners. Positioned on a generous corner plot rarely found on modern developments, this property enjoys open aspects towards neighbouring fields and farmland while remaining within easy reach of the village's amenities.

The ground floor offers an inviting entrance hall with ground floor WC, a bright sitting room, a separate office/study, and a stunning kitchen/family/dining room that overlooks the rear garden, plus a utility room — a superb space for everyday living and entertaining. There is hardwood flooring throughout the ground floor, staircase and hallway. On the first floor, the main bedroom features a luxury ensuite and dressing area, while bedroom two also benefits from an impressive ensuite. There are two further double bedrooms and a well-appointed family bathroom.

Externally, the property includes a detached garage with parking in front, along with additional private parking spaces, providing parking for five in total. The rear garden is of a good size and enjoys a high degree of seclusion, complemented by a further side garden area.

Stansted Mountfitchet is a thriving village in the north Essex countryside close to the borders of Hertfordshire, providing rail links to London Liverpool Street and easy access to M11 and Stansted Airport. The village offers a mix of new and old with an original Norman castle, windmill, newly refurbished medical centre, local schooling and plenty of bars and restaurants, with many period and newly built homes, Stansted offers something for all.

My wife and I recently purchased our first property through Intercounty. The staff were friendly and knowledgeable throughout and helped us cut through the jargon associated with getting on the property ladder. They made the process quick and easy, and kept us in the loop all the way through as our sales progression agent. Would highly recommend.
