About the property

A beautifully proportioned four-bedroom family home arranged over three floors, enjoying an enviable position fronting directly onto the Stroudwater Canal. The property offers generous and flexible living space, along with a garage, off-road parking and the significant advantage of being offered to the market with no onward chain.

The property is entered via a welcoming hallway with stairs rising to the upper floors. To the front, the sitting room provides a comfortable and inviting space, ideal for everyday living or quieter evenings. To the rear lies the heart of the home; an impressive kitchen/dining room extending to over 23 feet in length, offering ample room for both cooking and family dining. Well arranged with generous worktop and storage space, this room is perfectly suited to modern family life and entertaining. A ground floor cloakroom completes the accommodation on this level.

The first floor offers three well-proportioned bedrooms, all served by a contemporary family bathroom, making this an ideal arrangement for families, guests or those requiring home working space.

Occupying the entire top floor is an impressive principal bedroom suite, creating a real sense of privacy. This generous room benefits from a separate dressing room and a modern shower room, forming a well-balanced and rarely available top-floor suite.

The accommodation extends to approximately 1,532 sq. ft (142.4 sq. m), providing spacious and versatile living across all three floors.

Externally, the property benefits from a garage and parking, while its position fronting onto the canal offers a particularly attractive outlook and an appealing lifestyle feature. Bridge Mead is conveniently positioned for access to Stroud town centre, local amenities, schools and the mainline railway station, which provides direct services to London Paddington. The surrounding Cotswold countryside is also within easy reach.

AGENT'S NOTE: We understand there is an estate management charge of £207.89 per annum.
