Permission to land — your spaceship has arrived!

Make your next viewing to see this completely refurbished, single storey bungalow that has been modernised to an exceptional standard by the current owner.

The accommodation comprises two double bedrooms positioned at the rear, each featuring aluminium bi-folding doors opening directly onto the private, secluded garden — perfect for coffee and croissants in bed. The master bedroom includes bespoke built in wardrobes offering excellent hanging and shelving space. The luxury bathroom is a standout feature, boasting a large double shower, deep bathtub, and high specification Luxury Vinyl Tile (LVT) flooring.

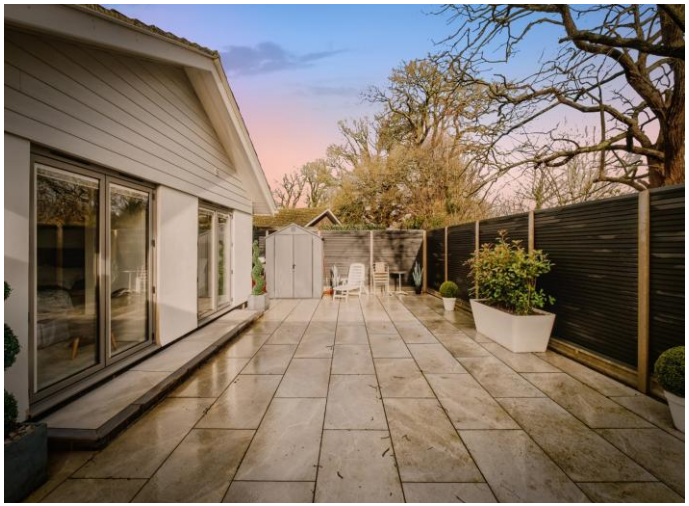

The open plan living room includes a feature cladded wall, fireplace, and LVT flooring, creating a superb space for entertaining or unwinding. This flows naturally into a bright entrance hall with storage and a striking modern front door.

The living space continues seamlessly into the open plan kitchen/diner, which provides a dedicated dining/breakfast area, plentiful wall and base units, and integrated appliances including dishwasher, washing machine, fridge/freezer, oven, and hob. A side door leads to a generous side access area — ideal for storage or daily convenience.

The home is fully double glazed, gas central heating, and boasts a fantastic Crated EPC, making it both cosy and energy efficient. Outside, the large driveway offers extensive off street parking, including a front garden conversion for added space. A detached garage with power, lighting, and an electric roller door completes the package.
