Location - Radnor Drive is a well-established residential area just off the centre of Knighton. This charming historic market town sits on the Welsh-English border and is surrounded by picturesque countryside and rolling hills. The property is within easy walking distance of the primary school and the town centre, which offers a good selection of amenities, including healthcare facilities and a variety of recreational activities. Its beautiful rural setting makes it ideal for those who enjoy outdoor pursuits. The larger market towns of Ludlow and Leominster are approximately 17 and 20 miles away respectively, while the city of Hereford lies around 30 miles from the town.

The property comprises the following accommodation (measurements are provided for identification only):

Ground Floor

Accessed from the front via a uPVC entrance door into a uPVC front porch, which benefits from handy built-in brick storage cupboards. A door then leads into the inner hallway, with a door to the left opening into a practical ground floor WC, followed by a useful cloaks cupboard.
From the inner hallway, the staircase rises to the first floor.
Glazed doors from the inner hallway lead through to the living room, a well-proportioned space benefiting from sliding patio doors opening onto the rear garden and adjacent patio area.

A further glazed door leads into the dining room, again a well-proportioned room and conveniently located next to the kitchen. This arrangement offers potential, subject to the necessary checks and consents, to create an open-plan kitchen/dining space. The dining room includes an additional storage cupboard and a door leading into the kitchen, along with a uPVC door with glazed side panels opening into a wooden rear porch, providing another practical space.

Returning to the kitchen, although dated, it offers a good range of base and wall units with an inset electric oven and hob, stainless steel sink and drainer, vinyl floor covering, and a window to the front. There is also a useful pantry, and a door leading back into the inner hallway.

First Floor

Moving upstairs to the first floor landing, which benefits from two large storage cupboards and access to the family bathroom. The bathroom features a dated suite, comprising a panelled bath with shower over, WC, and wall-mounted wash hand basin, with an obscure-glazed window to the front.

The first floor provides four bedrooms, three of which are good-sized double rooms — two positioned to the rear and one to the front of the property. The fourth bedroom is ideally suited as a single bedroom, home office, or hobby room.

Garden

To the front of the property is a garden bordered by wooden picket fencing, with a pedestrian gate and pathway leading to the front door, complemented by a variety of shrubs and bushes.

The rear garden is of a good size, positioned on a corner end plot and bordered by mature hedging together with wooden and wire fencing. The garden is sectioned and mainly laid to lawn, with inset mature shrubs and bushes, and gentle central steps with a handrail leading up to the rear entrance. A paved patio area adjoins the rear of the property, providing a fantastic space for outdoor entertaining and summer dining.

Parking

On-street parking is available.
