With its rare double width driveway and matching garage, this beautifully updated four bedroom detached home offers a standout opportunity in South Petherton, equally suited to growing families or couples seeking space without compromise.

Purchased as new by the current owners, the home has been thoughtfully enhanced to suit modern living. The removal of the wall between the original kitchen and dining room has transformed the heart of the house into a bright, spacious open plan living area, flooded with natural light. This is a space designed for everyday life as well as entertaining, whether that's family time, hosting friends, or simply enjoying a relaxed, open environment with ample worktops and excellent storage.

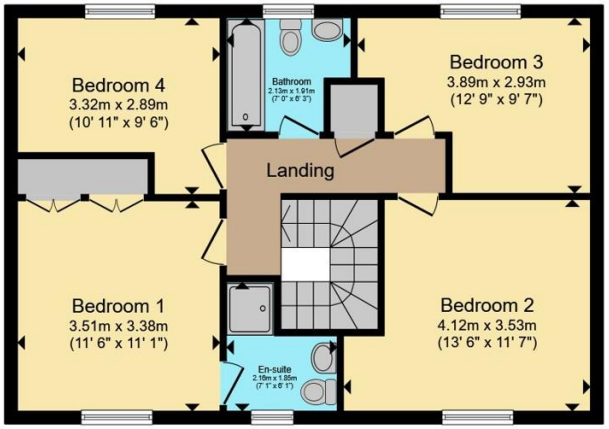

Complementing this is a separate, generous sitting room, ideal for quieter evenings, movie nights or simply having a distinct retreat away from the main living space, a real advantage for both families and those who enjoy defined rooms.

Upstairs, the property continues to impress with four well proportioned bedrooms, all capable of accommodating double beds. The principal bedroom benefits from built in storage and a modern en suite, while a well appointed family bathroom serves the remaining bedrooms, making the layout highly practical for day to day living.

Outside, the rear garden is private, thoughtfully landscaped and easy to maintain, lovingly
