Outside, the generous gardens create excellent space for children, entertaining, or simply enjoying the peaceful surroundings. The plot offers a wonderful balance of lawned areas, parking, and privacy rarely found in such a desirable village location.

Clavering is one of North Essex's most attractive and historic villages, renowned for its strong community feel, beautiful period architecture, and idyllic countryside surroundings. The village offers a range of amenities including a highly regarded primary school, village shop and post office, traditional public houses, and a variety of local clubs and activities. Nearby market towns such as Saffron Walden and Bishops Stortford provide further shopping, dining, and mainline rail services into London, making the location ideal for commuters whilst retaining a true rural lifestyle.

Properties in locations such as this are rarely available, particularly those combining generous living space, substantial parking, and access to some of the area's most beautiful countryside walks. Early viewing is highly recommended.

Google Reviews ★★★★★

My wife and I recently purchased our first property through Intercounty. The staff were friendly and knowledgeable throughout and helped us cut through the jargon associated with getting on the property ladder. They made the process quick and easy, and kept us in the loop all the way through as our sales progression agent. Would highly recommend.
