Gascoigne-Pees

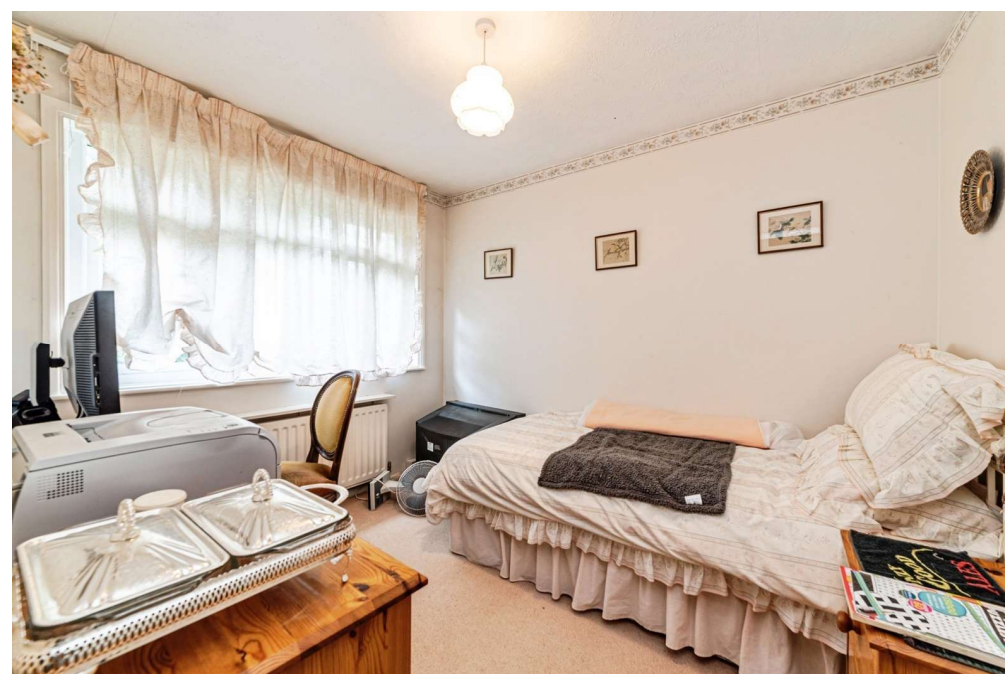

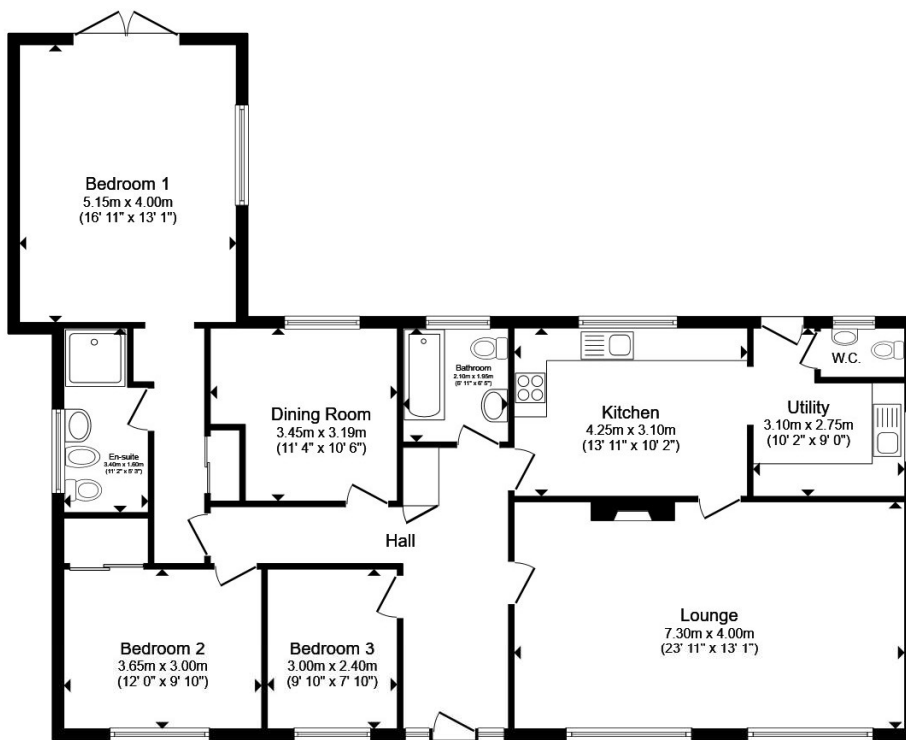

A turn of the century countryside home offering some well balanced accommodation including a generous master bedroom with vaulted 'cathedral' ceiling and ensuite shower room together with a double garage and part walled garden. There is an entrance hall providing access to all main rooms, a good sized lounge with fireplace and a separate dining room, the kitchen has built in appliances and has a utility room and cloakroom off. There are three bedrooms, the master being an attractive feature and there is a main bathroom.

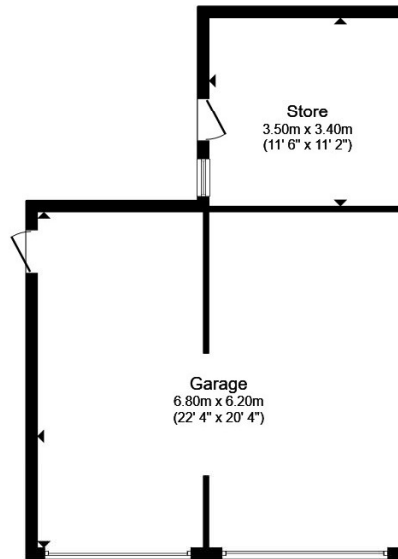

Outside, are gardens front and rear, a wide driveway accessing the garage which has two electric doors and behind that is a brick built shed. The rear garden is partly walled and has a southerly aspect.

Situated facing wayfarers walk footpath on the edge of the village of Steventon and midway between the villages of Oakley and Overton conveniently close to a restaurant and about 6 miles West of Basingstoke's town centre. Both villages offer shops and schooling etc. There are main line stations in Overton and Basingstoke (the latter with frequent service to London, Waterloo from 45 minutes). Whilst this is surrounded by Hampshire's rolling countryside all the amenities of Basingstoke are easily reached from theatres, museums, an ice rink and indoor sky diving to the bars, shops and restaurants of Festival Place.
