A beautifully presented and thoughtfully extended home, this former bungalow has been cleverly adapted to provide spacious and versatile accommodation, now functioning as a substantial family home.

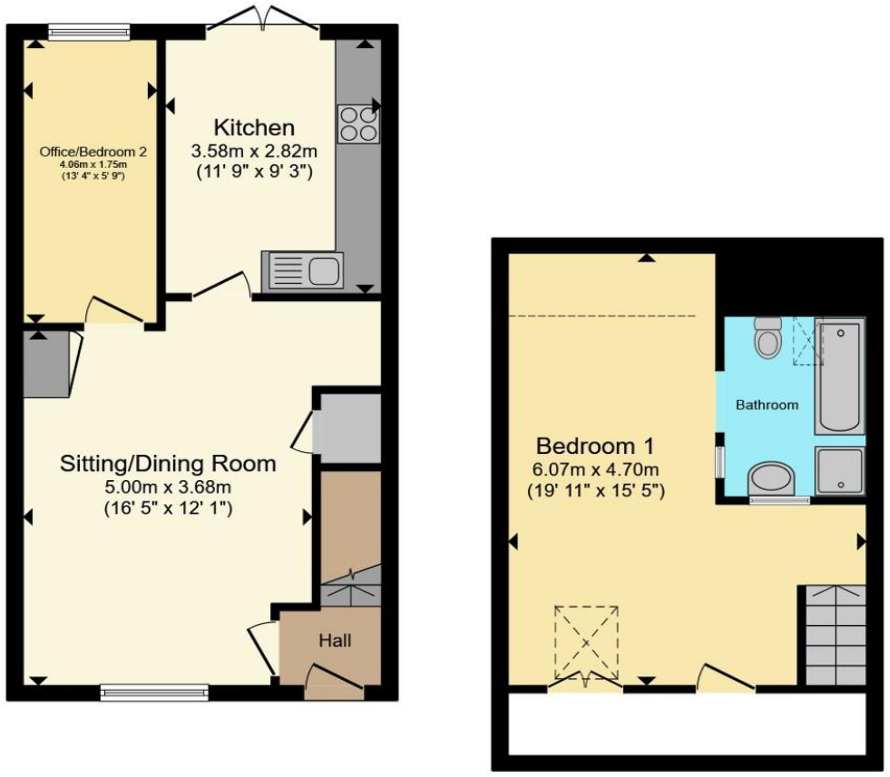

The standout feature is the impressive first-floor master suite, offering a superb sense of space and privacy. This generous bedroom creates a true retreat, complemented by a striking contemporary en suite finished in stylish grey and black tones, complete with both a bath and separate shower for a touch of everyday luxury.

The ground floor provides well-balanced and flexible living, ideal for modern lifestyles. The layout lends itself perfectly to both relaxed day-to-day living and entertaining, with ample space to tailor to individual needs — whether that be additional bedrooms, a home office, or reception areas.

Externally, the property continues to impress with a well-enclosed rear garden, featuring a patio seating area directly off the property — perfect for outdoor dining — leading onto a neatly maintained lawn. This creates an ideal space for families, entertaining, or simply enjoying the outdoors.
