
SOLIHULL
WHITE HOUSE WAY

An Exceptional Seven-Bedroom Family Residence. Positioned on the prestigious and highly sought-after White House Way, one of Solihull's most desirable residential addresses, this substantial seven-bedroom detached residence presents a rare opportunity to acquire a truly impressive family home extending across multiple floors and offering an abundance of versatile living space.

The property enjoys an impressive sense of scale throughout, with light-filled interiors and extensive living accommodation designed to accommodate both everyday family life and large-scale entertaining. The substantial footprint also presents exciting opportunities for further enhancement, subject to the necessary planning consents, allowing future owners to create an even more remarkable residence.

Externally, the home benefits from a generous rear garden, offering a private setting for outdoor dining, children's play, and family enjoyment. The extensive outdoor space further enhances the property's appeal and provides excellent potential for future extension or landscaping projects.
