Occupying a larger than average corner plot in a highly sought-after residential location, this attractively presented three-bedroom semi-detached property has recently undergone an extensive programme of renovation and improvement to create a stylish and versatile home. The property immediately impresses with its smart graphite grey external windows and large low-maintenance gardens, enclosed by medium-height fencing providing both privacy and security, making it ideal for young families and pet owners alike.

Internally, the accommodation has been thoughtfully modernised throughout and offers flexible living arrangements suitable for a variety of purchasers, including those seeking ground floor bedroom facilities or multi-generational living. An internal inspection reveals well-planned accommodation decorated in a modern style, complemented by contemporary radiators to the ground floor and more traditional fittings to the first floor.

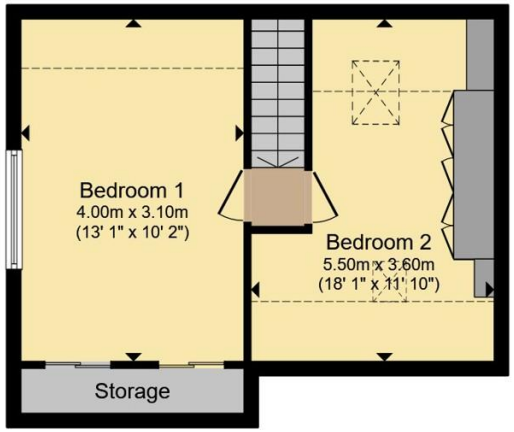

The accommodation briefly comprises an entrance porch leading directly into a beautifully presented lounge decorated in neutral tones with a pleasant front-facing aspect. The recently refurbished kitchen has been fitted with a stylish range of modern white units with complimenting work surfaces with full matching upstands.
