

Situated in the sought-after residential area of Wexham, this well-presented two-bedroom semi-detached home offers spacious accommodation, a beautifully maintained rear garden, private driveway parking, and excellent scope for extension (subject to the usual planning permissions), making it an ideal purchase for first-time buyers, families, downsizers, or investors alike.

The ground floor comprises a welcoming entrance hall leading to a generous dual-aspect living/dining room measuring over 19ft in length, providing ample space for both relaxing and entertaining. The fitted kitchen offers a range of storage units and work surfaces, with access to a useful covered lean-to area incorporating a utility room and additional storage space. To the rear, a bright conservatory overlooks the attractive landscaped garden and creates a fantastic additional reception area that can be enjoyed throughout the year.

Upstairs, the property benefits from two well-proportioned double bedrooms and a modern family bathroom fitted with a contemporary white suite.

One of the property's standout features is the impressive rear garden, which has been lovingly maintained and offers a large lawn, established planting borders, patio seating areas and a high degree of privacy. The generous plot provides excellent potential for a substantial rear extension, allowing future owners to create an open-plan kitchen/family room if desired, subject to the necessary planning consents.

Furthermore, the property enjoys a valuable side plot and detached positioning to one side, presenting outstanding potential for a two-storey side extension (STPP), which could significantly increase the overall accommodation and create additional bedrooms and living space. Similar properties within the area have successfully extended, highlighting the exciting opportunities available.

To the front, the property benefits from a private driveway providing off-street parking, along with a low-maintenance frontage.

Located within easy reach of local amenities, highly regarded schools, transport links and green open spaces, this attractive home combines immediate comfort with exceptional future potential. An internal viewing is highly recommended to fully appreciate the accommodation, plot size and development opportunities on offer.
