We are proud to offer this spacious four-bedroom semi-detached home, ideally located on Weston Way in Baldock. This heavily extended property also benefits from a fully self-contained one-bedroom annexe to the front of the house, offering excellent versatility for multi-generational living, a home business, or potential additional income.

Entering the main residence, you are welcomed by a spacious entrance hall. To the left is a generous living room with windows to the front and side aspects and a charming log burner. To the right is a cloakroom and staircase leading to the first floor. The hallway continues through to the kitchen at the rear of the property, with a door leading to a second reception room that can also be accessed from the kitchen/dining area via French doors. This versatile space would work well as a second sitting room, playroom or formal dining room.

The kitchen/diner forms the heart of the home, offering a range of wall and base units, space for appliances and plenty of room for a dining table. French doors open onto the rear garden, while a separate door provides additional access to the front of the property.

Upstairs, the property offers four well-proportioned bedrooms, three of which are comfortable doubles. The principal bedroom benefits from a spacious en-suite bathroom with bath and shower over, WC and wash hand basin, with potential to reconfigure to include a separate shower if desired.

Bedroom two also offers excellent space and potential to create a second en-suite (STPP). The remaining bedrooms are served by a family bathroom.

A standout feature of the property is the fully self-contained annexe to the front, comprising an open-plan kitchen/living room, a good-sized double bedroom, and a modern shower room with walk-in shower, WC and wash hand basin, conveniently accessed from both the bedroom and living space.

Externally, the rear garden features a patio positioned to enjoy the late afternoon sun, with the remainder mainly laid to lawn. The annexe also benefits from its own courtyard garden with a storage shed. To the front, the driveway provides parking for three vehicles, with further parking available if required.
