## Description

Mark Anthony are pleased to offer this very spacious two Bed, two Bathroom purpose built apartment on the first floor of this private gated development just a short stroll away from Oakwood tube Station.

The property features a semi open-plan kitchen with good natural light, flowing into a reception room with large windows that help create a bright living and dining space. The main bedroom is a double with built-in wardrobes and an en-suite shower room, while the second bedroom is also a double. A further bathroom serves the rest of the flat.

There is also large communal gardens and an allocated car parking space adding convenience for residents and visitors.

The flat is well located for public transport links. Nearby Oakwood Underground Station (Piccadilly Line) offers direct services into central London, including King's Cross St Pancras in around 25 minutes and Leicester Square in approximately 30 minutes, making this an attractive option for commuters. Local bus routes provide further connections across North London.

The area benefits from a range of local amenities, including supermarkets, cafés and restaurants. There are nearby schools, including a selection of primary and secondary options within a short distance, appealing to families.

Residents can also enjoy nearby parks offering green space, walking routes and recreational areas.

This flat will suit first-time buyers, Investors and families looking for a practical home with parking and good access to transport, schools and local facilities in N14.
