The Street

Adisham

Situated in an enviable position on the edge of the sought after village of Adisham, this substantial four bedroom chalet bungalow enjoys a truly exceptional setting as the last property on the road, surrounded by beautiful open countryside and neighbouring fields. Offering versatile and spacious accommodation throughout, together with extensive parking, generous gardens and excellent storage, this is a home perfectly suited to modern family living.

The property is approached via a large driveway providing off road parking for five to six vehicles, complemented by a larger than average double garage that offers excellent storage, workshop space or secure parking.

Upon entering, a welcoming porch leads through to a spacious entrance hallway. The ground floor accommodation is both practical and flexible, comprising a useful study ideal for home working, a convenient cloakroom, and a generous sitting room centred around an attractive open fireplace, creating a cosy focal point for the home.

The impressive kitchen/dining room forms the heart of the property and is perfectly designed for both family life and entertaining. Fitted with a quality Howdens kitchen featuring integrated appliances and under cabinet lighting, the room is finished with beautiful solid oak flooring and benefits from French doors opening directly onto the garden, allowing plenty of natural light to flood the space.

A separate utility room provides additional convenience and storage. Also on the ground floor are two well proportioned double bedrooms, including a spacious principal bedroom with en suite facilities, alongside a family bathroom.

The first floor continues to impress, offering two further generous double bedrooms and an additional family bathroom, making this an ideal layout for growing families or those requiring flexible accommodation for guests. There is also a substantial store room which offers exciting potential for conversion, subject to any necessary consents, into a home office, hobby room, dressing room, playroom or additional bedroom space.

Outside, the gardens are a standout feature of the property. The rear garden is of an exceptional size and enjoys a peaceful rural outlook. A large vegetable patch provides the perfect opportunity for keen gardeners and those seeking a more self sufficient lifestyle, while a mature cherry plum tree adds character and seasonal interest. The expansive outdoor space offers plenty of room for entertaining, family activities and simply enjoying the tranquillity of the countryside surroundings.
