About the property

6 The Glebe is a beautifully presented three-bedroom semi-detached family home, tucked away in a small cul-de-sac within the highly sought-after Cotswold village of Sapperton. Just ten minutes from Cirencester, the village offers an excellent balance of rural charm and everyday convenience, with a range of local amenities, picturesque countryside walks and easy access to the wider Cotswolds. Thoughtfully updated by the current owners, the property offers stylish, well-planned accommodation together with a generous, private rear garden.

The light and welcoming accommodation begins with an entrance hall incorporating a useful utility cupboard and cloakroom. At the heart of the home is a beautifully refitted kitchen/dining room, featuring a comprehensive range of contemporary wall and base units, generous work surfaces and a substantial breakfast bar. French doors open directly onto the rear garden, creating a seamless connection between the indoor and outdoor living spaces. The comfortable sitting room centres around an attractive wood-burning stove and opens through double doors into the conservatory, providing an additional reception room with lovely views over the garden and direct access outside.

On the first floor, the landing leads to three well-proportioned bedrooms, each benefiting from built-in wardrobes. The family shower room has been stylishly refitted with a contemporary walk-in shower and wash hand basin, complemented by a separate WC.

Externally, a generous gravelled driveway provides ample off-road parking and leads to the attached single garage. The enclosed rear garden is a particular highlight, enjoying a high degree of privacy and offering an ideal space for both relaxation and entertaining. Predominantly laid to lawn with mature, well-stocked shrub borders and a paved seating terrace, it also features a substantial timber outbuilding, currently arranged as a bar and garden room, providing a versatile space for entertaining, hobbies or a home office.

This property is subject to a covenant under the 157 Housing Act 1985. This covenant is entered on the title of all homes originally sold under the Right to Buy Scheme in the Cotswold area of Outstanding Natural Beauty. This is to ensure homes developed with public funding are retained by people with a local connection and who will live in the property as their only home. In accordance with the statute, consent is also needed if the property is to be let.
