These particulars are intended to give a fair description of the property but their accuracy cannot be guaranteed, and they do not constitute an offer of contract. Intending purchasers/tenants must rely on their own inspection of the property. None of the appliances/services have been tested by ourselves. We recommend purchasers/tenants arrange for a qualified person to check all appliances/services before legal commitment.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
