

Positioned on the ever-popular London Road in Langley, this substantial detached family home offers over 2,000 sq ft of versatile accommodation and is perfectly suited to families seeking generous living space within easy reach of some of the area's most sought-after schools. Upton Court Grammar School and St Bernard's Catholic Grammar School are both within walking distance, with Langley Grammar School also nearby, making this an outstanding location for education.

The property has been significantly enlarged by way of a double-storey front extension, creating a convenient layout that now comprises five bedrooms, three bathrooms, a modern and stylish kitchen/family room, a large dual-aspect sitting/dining room and useful storage area at the side.

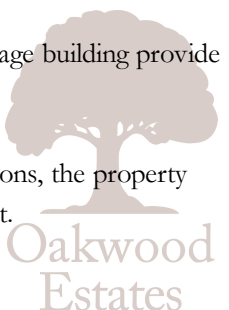

Whilst the home has been well maintained over the years, it would benefit from some cosmetic modernisation, presenting an excellent opportunity for buyers to personalise and add value without the need for major structural works.

Upstairs, all five bedrooms are well-proportioned, making the property ideal for larger families and those working from home.

Externally, the frontage is a standout feature, with an exceptionally large driveway providing off-street parking for up to ten vehicles.

To the rear, the garden is relatively low maintenance and modest in size. A detached garage and additional storage building provide further practicality and also with an additional parking space.

Conveniently located close to the J5 of the M4 and Elizabeth Line connections via Langley and Slough stations, the property combines excellent commuter links with easy access to local amenities and Heathrow airport.
