Asking Price Of £240,000 Freehold

ACCOMMODATION

Enter via the primary front entrance porch and you'll step inside to a wonderfully sociable open-plan lounge and dining room, stretching an impressive 22'10 x 15'5 max — considerably more generous than the cottage's frontage suggests. An exposed oak ceiling beam and a striking natural stone fireplace housing a wood-burning stove anchor the space with real character, while the engineered light oak flooring, soft neutral décor and large dual-aspect windows keep it feeling airy and current. There's ample room here for both a comfortable seating area and a full dining suite, making it a fantastic space for entertaining. A staircase rises to the first floor, and the room flows naturally through to the kitchen at the rear.

The kitchen has been finished to an excellent standard, fitted with sleek grey shaker style cabinetry, quartz countertops and a Belfast sink beneath the window. A vaulted ceiling with a skylight floods the room with natural light, complemented by a charming stained-glass feature window that adds a lovely period touch. Integrated appliances, including twin ovens and a fridge/freezer, sit neatly within the run of units, and there's space for further appliances, making this a practical yet stylish hub of the home. A part-glazed stable style oak door provides direct access to the back garden.

Upstairs, the cottage continues to impress with two well-proportioned bedrooms. The principal bedroom boasts particularly generous dimensions, with plenty of space for freestanding furniture, while the second bedroom offers flexible use as a further small double, single, nursery or home office. The family bathroom has been finished with the same care as the rest of the property, featuring a walk-in shower enclosure with a rainfall head, substantial vanity basin unit and stylish grey tiling — a smart, functional space with a real spa-like feel.

OUTSIDE

To the rear, the cottage benefits from a private outdoor space with a paved seating area, border planting and a useful timber storage shed — a relatively low maintenance cottage style garden in which to relax, or a blank canvas ready for a new owner to put their own stamp on. At the front there is an off road parking space for one car with the added benefit of an electric vehicle charging point.

LOCATION

Positioned on West End, this home enjoys the enviable benefit of being within easy walking distance of Street's excellent range of local amenities, including shops, cafés, supermarkets, schools, leisure activities and the renowned Clarks Village outlet shopping centre. The property is ideally placed for those seeking the charm of a period cottage without compromising on convenience and Street is well served by doctors and dentists, has indoor and outdoor swimming pools, sports and fitness clubs, with the town also boasting a range of pubs and restaurants to suit most tastes and budgets.

SERVICES

Mains gas, electric, water and drainage are connected, and gas fired central heating is installed. The property is currently banded B for council tax, within Somerset Council. Ofcom's service checker states that external mobile coverage is likely with four major providers and good indoor coverage with at least one, whilst Ultrafast broadband is available in the area. A further range of material information can be found within our online listings, or upon request from our office.
