6 Bedroom House

Intercounty

MOM

High Trees is a substantial and wonderfully individual detached home, offering an impressive amount of versatile accommodation arranged across three floors. With six bedrooms, generous reception space and a particularly distinctive principal bedroom suite, this is a property exceptionally well suited to modern family life.

The ground floor provides an excellent balance of sociable and practical space. The generous dining room creates a natural setting for family meals and entertaining, while the spacious sitting room features a fireplace as an attractive focal point. From here, doors lead through to the conservatory – a bright and inviting space overlooking the garden and creating a seamless connection between inside and out.

The kitchen offers plenty of storage and preparation space and is complemented by a separate utility room. A dedicated study provides an ideal home office without compromising any of the bedrooms, while a ground-floor WC completes the accommodation on this level.

One of the home's standout features is the principal bedroom suite, which begins on the first floor with its own spacious private lounge/dressing area. This opens onto a balcony overlooking the rear garden, while a dedicated staircase rises from within the suite to the principal bedroom above. This unusual arrangement creates a wonderfully private retreat, with a real sense of separation from the remainder of the house.

The first and second floors provide five further bedrooms alongside a family bathroom and two shower rooms, giving the property excellent flexibility for children, guests or extended family. The number and arrangement of bedrooms also allow individual rooms to be adapted for hobbies or additional home-working space if required.

Outside, the established rear garden offers an attractive combination of lawn, mature planting and colourful borders. Decked areas provide plenty of space for outdoor dining and entertaining, while the conservatory opens naturally onto the garden.

To the front, a generous gravelled driveway provides ample off-road parking, with gated side access leading through to the rear.

Google Reviews ★★★★★

My wife and I recently purchased our first property through Intercounty. The staff were friendly and knowledgeable throughout and helped us cut through the jargon associated with getting on the property ladder. They made the process quick and easy, and kept us in the loop all the way through as our sales progression agent. Would highly recommend.
