Situation

A spacious one-bedroom property in the popular residential area of Cyncoed, offering an unusually generous living space and a substantial rear garden.

The accommodation centres around a particularly spacious open-plan living and dining area, providing plenty of room for separate seating and dining spaces. Large patio doors overlook the garden and provide direct access outside, bringing plenty of natural light into the room.

The adjoining fitted kitchen has a contemporary finish with white units, marble-effect worktops and contrasting tiled splashbacks, together with an electric oven and hob and useful worktop and storage space.

To the front of the property is a well-proportioned double bedroom with a large window and useful storage. The bedroom is finished in neutral tones with grey carpeting.

The bathroom is fully tiled and fitted with a white suite comprising bath with shower over, wash hand basin and WC.

One of the property's main features is the generous rear garden, with both lawned and paved areas and mature planting around the boundaries. It provides significantly more outside space than is typically found with a one-bedroom property.

The property is situated in Cyncoed, a popular residential part of Cardiff, with convenient access to local amenities and public transport connections into the city.
