Lux Homes are pleased to present this extended and much improved four-bedroom semi-detached chalet bungalow, situated on a prominent gated corner plot within a quiet cul-de-sac in the popular village of Mountnessing.

Presented to an exceptional standard throughout, the property offers a versatile layout with two double bedrooms and a bathroom on each floor, making it an ideal home for families or those looking for flexible accommodation.

The ground floor begins with a welcoming entrance hallway, leading to two well-proportioned double bedrooms positioned towards the front of the property. A modern family bathroom is also located on this floor.

To the rear, the extended living accommodation provides a spacious lounge and separate dining area, creating a fantastic space for both everyday living and entertaining. The separate modern kitchen has been updated to provide a good range of wall and base units, ample worktop space and a selection of integrated appliances.

The converted loft space provides two further bedrooms, both offering useful additional accommodation, alongside a modern shower room.

Outside, the property occupies a generous south-west facing corner plot, with the garden having been thoughtfully reworked to create a low-maintenance outdoor space. The gated frontage provides an abundance of off-street parking while offering additional privacy and security.
