About the property

This attractive two-bedroom home offers a bright, sociable layout, with a generous living/dining room opening directly onto the garden and the added benefit of two allocated parking spaces.

The accommodation begins with an entrance hall and a separate kitchen, fitted with a range of contemporary cabinetry and integrated cooking appliances.

To the rear, the living/dining room forms the heart of the home. There is ample space for both comfortable seating and a dining table, while glazed doors open directly onto the patio and garden beyond, creating a natural connection between the indoor and outside spaces.

Upstairs are two bedrooms, with the principal bedroom benefitting from built-in storage. The second provides a versatile additional room, equally suited as a bedroom,

nursery or home office, alongside a contemporary family bathroom.

The rear garden has been neatly landscaped to provide a paved terrace immediately outside the house, with a lawn and established borders beyond. Fully enclosed and enjoying a good degree of privacy, it provides an attractive and manageable space for outdoor dining and entertaining, with a timber shed offering useful storage.

Two allocated parking spaces are positioned conveniently close to the property.

With its sociable ground-floor layout, private garden and valuable off-road parking, the property offers an appealing combination of practicality and comfort in a convenient Cheltenham setting.
