About the Property

A beautifully proportioned one-bedroom apartment in a fantastic East London location, offering generous living space, impressive period features and excellent transport links.

The property features a large reception room with huge original-style sash windows, flooding the space with natural light and creating a bright, welcoming atmosphere. The spacious double bedroom benefits from its own en-suite bathroom, while a separate WC adds further convenience.

Residents also have access to a private courtyard with secure bike storage, providing a useful outdoor space in the heart of the city.

Dalston Lane, E8

A beautifully proportioned one-bedroom apartment in a fantastic East London location, offering generous living space, impressive period features and excellent transport links.

The property features a large reception room with huge original-style sash windows, flooding the space with natural light and creating a bright, welcoming atmosphere. The spacious double bedroom benefits from its own en-suite bathroom, while a separate WC adds further convenience.

Residents also have access to a private courtyard with secure bike storage, providing a useful outdoor space in the heart of the city.

Ideally located just moments from Hackney Downs and Hackney Central stations, with the vibrant amenities of Mare Street, London Fields, Stoke Newington and Dalston all within close proximity. The area offers an excellent selection of cafés, restaurants, bars, independent shops and green spaces, with great transport connections across London.
