To the front is a small front garden and planting area, alongside steps that lead up to the front door, which opens into a lobby and then through to the entrance hall, with stairs leading to the first and second floors.

The sitting room is a real highlight and enjoys polished wood flooring, a south-facing walk-in bay window and a striking original black-and-white marble fireplace, complemented by original coving and ceiling plasterwork. To the rear, the dining room makes a lovely space for entertaining and also enjoys a ceramic wood-burning stove (now disconnected and for decorative purposes only), alcove storage and windows overlooking the courtyard. The re-fitted kitchen provides integrated appliances, a useful pantry cupboard and a door leading directly out to the rear courtyard.

The stairs then lead to a split-level landing, with the half-landing providing access to the re-fitted family bathroom, presented to a good standard with a four-piece suite.

To the first floor are two excellent double bedrooms. The principal bedroom spans the full width of the house at approximately 17ft and provides an impressive bedroom space, with original ceiling plasterwork, a south-facing aspect and a beautiful period fireplace. Bedroom two is positioned to the rear and enjoys an original cast-iron fireplace.

The stairs continue up to the purpose-built second floor, which gives access to two further good-sized double bedrooms. Bedroom three also spans the full width of the property, with a south-facing dormer window, making it ideal as a guest room or an older child's/teenager's room.

Externally, the property offers a small town garden to the front. To the rear is a well-presented and enclosed courtyard with clad walls, paved slabs and a newly re-fitted pedestrian gate, which gives access to the rear service lane and provides a private, low-maintenance space for relaxing or dining outdoors.

Well-presented throughout, this characterful period family home is set within a leafy and well-connected part of NE2, with direct access to open green spaces, excellent local amenities and convenient proximity to Newcastle City Centre.

Early viewings are strongly recommended.
