LOCATION

This substantial property is located opposite the campus and grounds of University of Wales Trinity Saint David in Lampeter, in the main thoroughfare, and within the Town Centre and close to Harford Square. Lampeter is a strategic West Wales Amenity Town serving a large rural hinterland, 12 miles inland from the Cardigan Bay Coast at Aberaeron and 22 miles North of Carmarthen, giving you a gateway to the M4.

GENERAL DESCRIPTION

Morgan & Davies are delighted to offer for sale this substantial and traditionally built 4 bedroomed property, conveniently positioned in the heart of the University town of Lampeter, West Wales, and offered to the market with no onward chain.

Offering spacious and versatile accommodation, the property presents an excellent opportunity for a range of prospective purchasers, whether seeking a generously proportioned family home, a residential investment or a property with potential for alternative uses, subject to the necessary consents.
The property benefits from a substantial two storey rear extension, providing well proportioned accommodation arranged over two floors, including 4 bedrooms, 2 bathrooms and a well equipped kitchen. Further benefits include mains gas fired central heating and double glazing throughout.
Externally, the property enjoys an enclosed rear yard offering excellent scope for landscaping and improvement, together with a generous tarmacadam driveway providing valuable off road parking and turning facilities for several vehicles – a particularly attractive feature for a town centre property.
Located on College Street, the property is within easy walking distance of Lampeter's comprehensive range of shops, schools, University and everyday amenities, making it an attractive proposition for both residential occupiers and investors.
With no onward chain, generous accommodation and excellent potential, this is an exciting opportunity to acquire a substantial property in a highly convenient town centre location.

The accommodation is deserving of an early viewing and currently consists of the following:
