Summary of Accommodation

About the property

Understood to have been built in the mid 1990's, 3 The Wheate Close is a well situated family home, close to the northern edge of Rhoose and within easy reach of the centre of the village. The accommodation is move-in ready although offers further scope for any buyers to transform it to their own vision. A ground floor hallway has doors leading to a modern cloakroom and to a dining room with a further door opening into the lounge. The dining room was created from the former garage and is ideal as a second reception room or possible additional bedroom if ever required. The family lounge is to the very heart of the house from which a window overlooks the front garden and a staircase leads to the first floor bedrooms. This generous space connects through to the kitchen/breakfast room. Running the width of the rear of the property the kitchen/breakfast room is a light filled space positioned to look out over the rear garden and catch the south westerly aspect. Of two distinct areas, the kitchen includes a good range of fitted units with space remaining for a tall fridge freezer and with plumbing for a washing machine and for a slimline dishwasher (appliances available by separate negotiation). Gas hob and electric oven are to remain. The adjacent breakfast area has ample room for a breakfast table. A neat under stairs area provides for great storage. A window from the kitchen looking out over the garden and adjacent double doors from the dining area open to the same.

To the first floor a light filled landing area has doors leading to all three bedrooms and to the family bathroom. An additional door opens into an airing/storage cupboard. The two largest double bedrooms look to the front and rear elevation respectively; both have fitted wardrobes. A third generous single bedroom includes its own wardrobe / storage. The bathroom comprises a modern white suite including electric shower over bath.

Total area: approx. 83.3 sq. metres (896.4 sq. feet)

Garden & Grounds

Located close to the entrance of this cul-de-sac, a drop-down curb leads to two side by side parking spaces fronting the property solely for the use of 3 Wheate Close. From here, a paved path skirts past a lawn to the principal entrance doorway. Gated entrances, to two sides, lead through to the rear garden. The rear garden itself enjoys a very pleasant, south westerly aspect. It incorporates an expansive paved patio area with a neat additional store area accessed from the dining room/second reception room. This paved patio in turn leads to a larger lawn featuring a pergola-covered seating area and timber store shed.

Additional Information

Freehold. All mains services connect to the property. Gas-fired combi boiler. Council tax: Band E.
