The Property Ombudsman

We are delighted to market this well-presented one bedroom retirement apartment. Located on the ground floor and looking out to the front of the development this bright and sunny apartment has been well-looked after by the current owner. This development is specifically for the OVER 55's.

Roman Court is found tucked away in a quiet cul de sac near to the centre of Borough Green. For convenience, residents have access through a locked gate directly into Station Approach. This makes the Co-Operative store, the train station and the high street, shops and facilities only a short and easy walk away. There is a large communal parking area for residents and guests.

As you enter the development you will notice how well-maintained and spotless the gardens and communal areas are and there is a resident warden who ensures the complex is well run. There is a spacious communal lounge area that residents have the use of for social gatherings and coffee mornings. Another feature of this development is that there is a dedicated guest room for family and friends who may wish to visit and stay over.

The entrance hallway has a large cupboard which offers plenty of storage space for coats and shoes. There is also an entry intercom system for peace of mind.

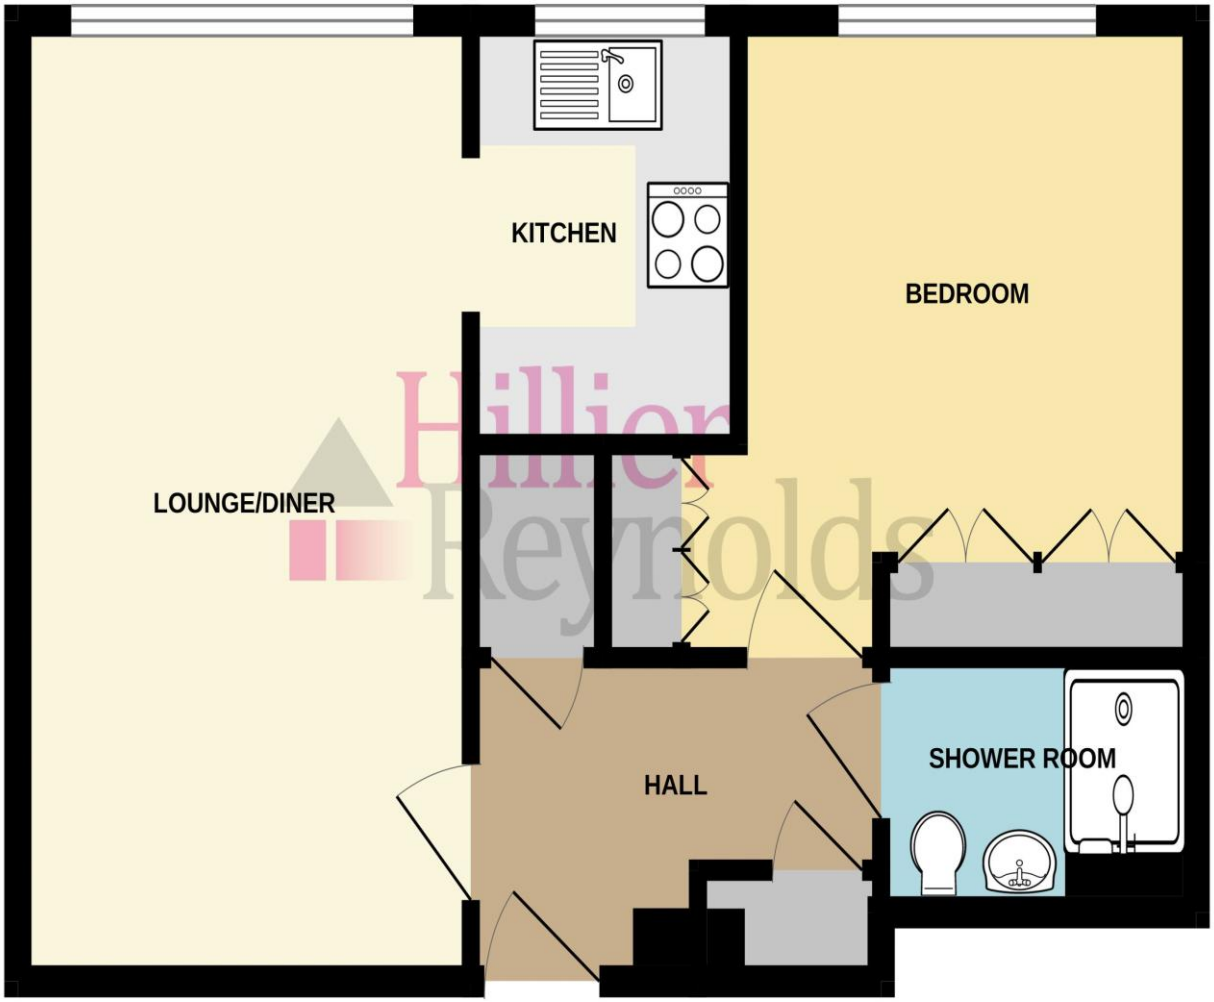

The apartment has double glazing and because of the size of the windows all the rooms have a bright and airy feel. The lounge is well-proportioned and nicely decorated. There is a large window which makes the room feel open and bright. The room is large enough to accommodate a dining table and chairs. An archway leads through to the well fitted kitchen which has a good selection of cupboards and work top space.

The double bedroom has a large fitted wardrobe providing plenty of storage space. The bathroom in keeping with the rest of the apartment is spacious and well-presented with a large shower cubicle.

The communal grounds are kept beautifully and there is a sunny patio and lawn area which is enjoyed by the owners and is a wonderful place to socialise over a cup of coffee and meet new friends. If you want some privacy, then the communal gardens stretch around the development for you to be able to find your quiet spot in the sun.

Borough Green is a popular village with a good selection of local shops and cafes all within walking distance. There is a library and medical centre as well as a large recreation ground. The mainline station with services to London Bride, Charing Cross and Victoria and Ashford is opposite the development. There are good transport links with the M20, M26 Motorways just a short drive away.
