£250,000 (Offers over) Victorian soul. Contemporary style. A home with character at every turn.

Welcome to Foljambe Road, where period elegance meets the ease of modern living, just moments from the heart of Chesterfield.

Behind its handsome Victorian façade lies a beautifully considered four-bedroom semi-detached home, where original architectural details take centre stage and thoughtful contemporary touches bring everything effortlessly into the present.

Arranged across three floors and offering 1,410 sq ft of accommodation, this is a home that celebrates its heritage without compromising on the way we live today.

The story begins in the entrance hallway, where beautiful Minton floor tiles set the tone for what's to come. Two wonderfully proportioned reception rooms showcase everything we love about Victorian architecture: soaring ceilings, intricate coving, decorative ceiling roses and an abundance of character. The bay-fronted lounge is particularly inviting, with its original open fireplace creating a natural focal point, while the separate dining room offers an elegant setting for everything from everyday dinners to evenings spent entertaining.

Completing the ground floor is a stylish Shaker-style kitchen, where solid wood worktops bring warmth and texture to a space that's as practical as it is attractive.

Upstairs, the first floor continues the balance of period charm and contemporary comfort. Two individually styled bedrooms each enjoy their own en-suite, while the beautifully appointed family bathroom brings a little everyday luxury, complete with a freestanding roll-top bath.

The second floor reveals two further generously sized bedrooms, offering flexibility for growing families, visiting guests or those looking to create a dedicated space to work from home.

Character in abundance, style throughout and a wonderfully central location. Foljambe Road is a Victorian home with its feet firmly in the present.
