About the Property

Set within Hillfield Court, an established residential building in the heart of Belsize Park, this one-bedroom apartment is a lovely example of how thoughtful interiors can make a space feel truly special. The current owner has furnished the apartment beautifully, bringing together carefully chosen pieces, considered colours and decorative details that give the home a real sense of personality. Particular attention has been paid to the lighting, which makes the home feel elegant yet homely. They're more than simply practical additions; they bring character, warmth and a little individuality to the rooms.

The accommodation comprises a living room, separate bedroom, kitchen and bathroom, with a layout that lends itself comfortably to everyday living. There's a pleasing sense of cohesion throughout, with the owner's eye for design creating an inviting atmosphere that feels both stylish and relaxed. It's a home that demonstrates how the smaller details can make all the difference, offering plenty of inspiration for someone looking to create a space of their own.

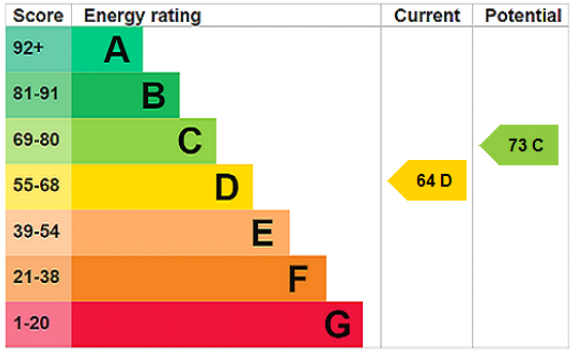

Hillfield Court is wonderfully positioned for enjoying Hampstead and its surrounding neighbourhoods. The independent boutiques, cafés and restaurants of Hampstead Village are within easy reach, while nearby Belsize Park offers its own collection of neighbourhood favourites. Hampstead Heath is a particular highlight, with its woodland walks, open meadows and far-reaching views across London providing a welcome escape from

Floorplan

Location

Whilst every attempt has been made to ensure the accuracy of the floor plans contained here, measurements of doors, windows and rooms are approximate and no responsibility is taken for any error, omission or mis-statement. These plans are for representation purposes only as defined by RICS Code of Measuring Practice and should be used as such by any prospective purchaser. The services, systems and appliances listed in this specification have not been tested and no guarantee as to their operating ability or their efficiency can be given. Although these particulars are thought to be materially correct their accuracy cannot be guaranteed and they do not form part of any contract.
