About the property

Situated down a leafy lane in a popular road in Tetbury, this detached bungalow has been extended and modernised to create a fantastic home where space is everything.

Approached through the bespoke front door into a glass vaulted hallway with plenty of room for storage, and into a large open plan kitchen-dining room with plenty of rooms for entertaining. The kitchen is beautifully appointed with large modern double glazed windows overlooking a spectacular view. Adjacent is a utility room which leads into a garden room with floor to ceiling windows.

The dual aspect sitting room has a feature fireplace with a wood burning stove and a solid wood floor. A study at the back of the house could also be used as a third bedroom.

The two double bedrooms are large with one having a wide glazed Crittall door into the garden.

Outside there is a gated driveway for several cars leading to a single garage. The garden has a large terrace close to the home, mainly laid to lawn with fruit trees and mature hedging, with delightful views across the open fields, often with horses grazing.

The property also benefits from an electric car charger and full fibre broadband to the house.

what the owner said

Longfurlong Lane is in the sweet spot between town and country; open fields but close enough to walk into town. The improvements we've made over the years have all been about creating a light and spacious feel to a cozy bungalow by bringing as much of the outside view into the living space through big windows.
