

It is a pleasure to provide this reference for Helen Resuggan. I have known Helen for over 40 years on both a personal and professional level and have no hesitation in recommending her.

Helen is hardworking, reliable, and approachable. She has a positive nature, adapts well to new situations, and remains calm under pressure. She is organised, efficient, and able to multitask effectively whilst maintaining a high standard of work.

Helen communicates confidently with people from all backgrounds and finds it easy to build good relationships. She has excellent attention to detail, is a quick thinker, and takes pride in doing things to the best of her ability.

Over the years I have found Helen to be trustworthy, dedicated, and committed in everything she undertakes. I am confident she would be an asset in any role. I would also have complete confidence in Helen handling the sale of my elderly mother's property and would not hesitate to use her services myself.

Yours sincerely
