Dear Ankan

I have out on property visits since this morning and just came back. I will chase the landlady and I will call you back as soon as I have some information.

I can definitely confirm that the landlady wants the boiler to fixed or replaced for sure.

Hi Iwona,

Last Friday an Engineer came and investigated the problem and concluded that Boiler will need to be replaced.

But no one has showed up after that. Could you please let me know when will it be fixed?

Please ask the Landlady to give us a timeline, else we'll have no other option but to report this to the council.

Regards,  
Ankan
