The funds in dispute will be subsequently released either by mutual agreement between Landlord and Tenant, via court order or as a result of arbitration through the Alternative Dispute Resolution service. Should Landlord and Tenant use the Alternative Dispute Resolution service both parties are bound by the subsequent ruling.

- (a) the Rent, or any part of it remains unpaid for 14 days after falling due, whether formally demanded or not; or
- (b) if any agreement or obligation of the Tenant is not complied with; or
- (c) if the Tenant being an individual shall become bankrupt or enter into any arrangement with his creditors or being a company should either enter into liquidation whether compulsory or voluntary or should have a receiver appointed of its undertakings or assets or in any case should suffer any execution to be levied on the Tenant's goods; or
- (d) if the Property shall be left unoccupied for more than 21 days;

then it shall be lawful for the Landlord at any time thereafter to re-enter upon and take possession of the Property and immediately thereupon the tenancy hereby created shall be determined and the Landlord may give written Notice to the Tenant that the Landlord seeks possession of the Property through the Courts. This clause does not prejudice any other rights that the Landlord may have in respect of the Tenant's obligations under this Agreement.

19.2 Early Termination Costs

19.2.1 If the Tenant vacates the Property prior to the end of the Fixed Term (or break clause if applicable), the Tenant will remain liable to pay Rent until the Fixed Term expires unless otherwise agreed.

19.2.2 The Landlord is not required to allow the Tenant to end the Tenancy early but if the Tenant asks the Landlord to end the Tenancy early i.e. seeks the Landlord's agreement to surrender the Tenancy, the Tenant agrees that:

- The Landlord may market the Property to look for a new tenant; and
- The Landlord may grant a tenancy to a new tenant on reasonable terms and on the commencement of that new tenancy this Agreement shall be terminated.

19.2.3 Where the Tenancy is terminated early (surrendered) at the Tenant's request, the Tenant agrees to pay:

- an amount equal to the difference between the original Rent and new lower rental figure up to the end of the original Fixed Term, if the new tenancy is for a lesser rent;
- an amount equal to any pro-rata commission fees that have been incurred by the Landlord for the unexpired portion of the Tenancy, if the Tenancy is terminated during the Fixed Term; and
- the Landlord's agent's reasonable costs in respect of the termination of the tenancy.

Example: if you rent a Property for £700.00 per week for 10 weeks and wish to leave the Property with 4 weeks remaining on the Fixed Term and it takes 2 weeks to find a new Tenant you would be required to pay:

- an amount equivalent to 2 weeks' additional rent i.e. $2 \times £700.00 = £1,400.00$;
- an amount equivalent to 2 weeks' commission, calculated as original commission paid $((£700.00 \times 10 = £7,000.00) \times 31.2\% \text{ (inc VAT)} = £2,184.00)$, minus commission paid for 8 weeks $((\text{rent of } £700.00 \times 8 = £5,600.00) \times 31.2\% \text{ (inc VAT)} = £1,747.20) = £436.80$; and,
- if the Property is re-let at a lesser rent e.g. £600.00 per week, you would be responsible for paying an additional sum equal to £100.00 per week until the end of the Original Fixed Term, being the difference in the original Rent and the new lesser rent, which would be $(£700.00 - £600.00) \times 2 \text{ weeks} = £200.00$.

Therefore in this example the total owing would be £2,036.80.

19.2.4 For the avoidance of doubt this clause shall not take effect where the Tenant is operating a break clause contained in this Agreement.

20 Interruptions to the Tenancy

20.1 If the Property is destroyed or made uninhabitable by fire or any other risk against which the Landlord's Policy of Insurance has insured, Rent shall cease to be payable until the Property is reinstated and rendered habitable unless the insurance monies are not recoverable (whether in whole or in part) because of anything done or not done by the Tenant or his visitors.
